

Pictured, left to right, are Jerry Knight of Sulphur Springs; Shirley Hall-manager; Wendell Kincaid of Yantis; Johnny Waldon of Alba; Boyd Hurt of Clarksville; and Harold Holcomb of Gladewater. "From the minute you meet these gentlemen or watch them perform on stage you can't mistake that these men genuinely love people, country, and rock and roll music, putting a smile on the people's faces and in their hearts. It's in their songs, it's in their performances, and it is blatantly obvious that it is their purpose in life."
